## **Open Enrollment for the 2017 Deer Management Plan**

Sheridan, WY (Tuesday, August 22, 2017)

---

The Sheridan Police Department, in conjunction with the Wyoming Game and Fish Department would like to take this opportunity to inform area residents that the Deer Management Plan implemented by the City of Sheridan in 2007, will again be continuing for the 2017 hunting season. All parties interested in bow hunting within the City Limits must first register with the Sheridan Police Department. Registration may be done at the Sheridan Police Department, or documents may be found on the police department's website. Also any member of the department can assist residents with this registration. As a reminder, the Deer Management Plan is a bow hunting only opportunity and persons choosing to hunt privately owned land must first secure permission from the landowner. Additional information regarding what areas of the City of Sheridan are open for bow hunting may also be found on the police department's website, and will also be provided when you register. Remember, all Wyoming Game and Fish Regulations apply to the Deer Management Plan. Thank you and good luck this fall.

IF YOU HAVE ANY QUESTIONS, PLEASE CALL THE SHERIDAN POLICE DEPARTMENT AND ASK FOR THE PUBLIC INFORMATION OFFICER – (SHERIDAN) 672-2413
